It is our goal to provide a clean, fun, and safe party experience. The below rules are put in place to help you enjoy your night and also ensure future rentals have the same experience. Drivers will arrive approximately 5 minutes prior to scheduled pickup to allow time to load the bus. The drivers will also arrive at the final drop off location 5 to 10 minutes prior to scheduled end time to allow for clean up and unloading. If additional time is requested to be added to the end of the scheduled route, this can be done by making payment directly to the driver and must be done prior to the extra time starting pending driver and bus availability.

1. Due to the extreme conditions of the area and limited availability of parts, we do not guarantee Air Conditioning on our buses. We do regular maintenance on all of our fleet but they do break down from time to time. *** No discounts or refunds will be issued to rentals when AC is not working.
2. We have the right to cancel a rental if the heat index temperature reaches over 100 degrees or windchill below 0 degrees, or if there are any advisories or warnings that prevent safe travel. These are not safe conditions for our drivers to operate. In the event of a cancellation due to weather, the client is issued a voucher for the amount paid to be used on another rental, good for 1 calendar year from the date of rental, no exceptions.
3. The day of event individual or billing contact will be the only to designate route stops or change to the route.
4. No consumption of alcohol by anyone under the age of 21.
5. Limit to 1 person connected to the radio for the night, the more devices attempted to be connected, the more chance of issues occurring.
6. There is no standing or walking on the seats, sitting on the back of the seats(on cupholders).
7. There is no swinging or hanging on poles/handles allowed. If any damages occur due to this rule infraction, you will be responsible for paying for replacement parts and labor to fix them.
8. If you puke, or any other bodily fluids are released, on the bus you will be given the opportunity to clean it up. If a satisfactory job is done and it is not noticeable you will not be charged; however, if it is not properly cleaned up, or the bus driver has to clean it up, you will be charged a $250 fee per occurrence for clean up.
9. Any trash, vandalism, bodily fluids, graffiti, or damage to the exterior of the bus is subject to cleaning fees or repairs.
10. No Smoking or Vaping on the bus. If you are caught Smoking or Vaping on the bus you will be subject to a $250 fee per occurrence.
11. If you want to extend your bus reservation during the trip, you can do so as long as the bus and driver are available, at a rate of $150.00 per hour plus tax and gratuity. Any overtime rates must be paid before overtime starts.
12. Media captured by Midwest Party Express vehicles may be used for marketing/ promotional purposes.
13. Jello Shots, Glass Bottles, and Styrofoam Coolers are allowed but discouraged. They can easily cause an excessive mess that could lead to cleaning fees.
14. At the end of the trip ALL garbage must be placed into the provided trash cans. Any trash not thrown away is subject to a Cleaning Fee.
15. Midwest Party Express and its employees are not responsible for any lost or forgotten items.
16. No part of the body may extend outside the vehicle through windows, doors, roof hatches, emergency exits, or any opening for any reason.

18. You are responsible for any items/damages that occur during your trip. If any occur, you will be invoiced for the replacements of part and labor to fix. Damages performed by an external contractor will result in a twenty-percent service fee. If damage hinders the rental of the bus until repairs are completed, the responsible party will be responsible for any lost rentals.
